

Olympia Credit Union does not initiate any phone calls, text messages or send ANY emails requesting personal or account information. Local credit unions have reported recent calls and text messages asking for member PIN numbers on their cards in order to activate a card. We will not call you to activate a card and we will never ask you for your PIN to your card.

If you receive suspicious emails, please forward them to Olympia Credit Union at [info@olycu.org](mailto:info@olycu.org). If someone initiates a call to you claiming to be from the credit union and asks for personal or account information, please hang up and call us directly!

Olympia Credit Union suggests that you do not respond to any emails or phone calls that request personal or account information.
