### **YOUR CREDIT UNION, OUR COMMUNITY!**

We take great pride in our local community. Even though these last few years have been very different and we are a small credit union, our staff showed community support when we could give it.

Our 58th Annual Meeting was held at Tugboat Annie's this year! It was so wonderful to see everyone again, and we hope to see you next year. We were honored to host Thurston County Sheriff Derek Sanders and listen to his vision of Thurston County.

Congratulations to Olympia Credit Union's 2023/2024 Scholarship winners! Our rising stars are: Kaitlyn Lucas, Zoe Nieman, and Michael Paine!

Congratulations to Jodi Petersen, our 2023 Volunteer of the Year, with an honorable mention to Mary Orazem! We wouldn't be where we are today without the hard work and dedication of our Board of Directors and Supervisory Committee.

# Olympia Credit Union's new Digital Banking is here!

You may have noticed that we have had a *slight* (yes, that's sarcasm) change in our Home Banking. We have rebranded to the name Digital Banking. This name change reflects where and how you can access your accounts. Our Digital Banking is now accessible through your home PC, laptop, tablet or phone!

The new Digital Banking includes the old features you knew and loved; view account balances, make transfers, transfer to other Olympia Credit Union members, and Bill Pay. BUT THERE IS SO MUCH MORE NOW!

Our new Digital Banking also includes:

- Money Management, where you can view your transactions by type, create budgets, and get notifications if you aren't sticking to your plan. You can link other outside accounts and lines of credit to view that activity right within Digital Banking.
- Savvy Money allows you to view your credit score and view your credit report for any unusual activity without damaging your credit score. You can place Credit Goals and see progress as it happens.
- Text and/or email notifications based on thresholds you set.
- Text banking for quick on the fly balances and transfers.

Did we mention we have an app now???  
Find us at [Google Play](#) and [Apple App](#) stores!

Currently we are working on adding Skip a Pay, Remote Deposit Capture, and access to Quicken and Quickbooks. In the future we are hoping to add Card Controls, where YOU are the boss of your cards, setting travel notifications and turning them off and on for security.

We are excited to roll out all these new features for you. We thank you from the bottom of our hearts for your patience and understanding while we were converting to the new Digital Banking. It's members like you that make us passionate about our jobs.
